## MEMO TO FILE

April 29, 2021

Winter Springs West  
Facility ID No.: FLA011067  
Seminole County

Subject: Sanitary Sewer Overflow at 1000 W. SR 434

The Department acknowledges that Winter Springs West has reported a Sanitary Sewer overflow of 100 gallons of raw wastewater on April 22, 2021. The Department acknowledges receipt of the necessary information related to the spill. The Department is not initiating formal enforcement proceedings at this time; however, this memorandum does not preclude the referenced spill from further action in the future in accordance with Sections 403.121, 403.131, 403.141 and 403.161, Florida Statutes.
