Winter Springs West
Facility ID No.: FLA011067
Seminole County

Subject: Sanitary Sewer Overflow north of Cory Road & east of Moss Road

The Department acknowledges that Winter Springs West has reported a Sanitary Sewer overflow of 450 gallons of raw wastewater on May 7, 2021. The Department acknowledges receipt of the necessary information related to the spill. The Department is not initiating formal enforcement proceedings at this time; however, this memorandum does not preclude the referenced spill from further action in the future in accordance with Sections 403.121, 403.131, 403.141 and 403.161, Florida Statutes.
