MEMO TO FILE

July 12, 2021

Winter Springs West
Facility ID No.: FLA011067
Seminole County

Subject: Sanitary Sewer Overflow at 1000 West S.R. 434

The Department acknowledges that Winter Springs West has reported a Sanitary Sewer overflow of 1,800 gallons of partially treated wastewater on July 3, 2021. The Department acknowledges receipt of the necessary information related to the spill. The Department is not initiating formal enforcement proceedings at this time; however, this memorandum does not preclude the referenced spill from further action in the future in accordance with Sections 403.121, 403.131, 403.141 and 403.161, Florida Statutes.
