Precautionary Boil Water Advisory:

Seaside Sparrow Lane and Spotted Sandpiper Loop

Winter Springs, Fla. - A precautionary boil water advisory is in effect for the following homes due to a recent water main break caused by a fiber optic contractor in the vicinity:

1304-1324 Spotted Sandpiper Loop
1285-1305 Seaside Sparrow Lane
1261-1277 Seaside Sparrow Lane
(17 Homes)

Winter Springs crews are actively addressing the necessary repairs. However, until survey results are received, affected residents must remain under this precautionary boil water advisory.

Residents should follow these precautions until further notice:

- **Boil water intended for consumption:** It is recommended to bring water to a rolling boil for at least one minute before using it for drinking, cooking, making ice, brushing teeth, or any other activity that involves consuming water.
- **Use boiled or bottled water:** Please use boiled water or commercially bottled water for all food preparation, including washing fruits and vegetables, and making beverages such as coffee and tea.

The notice will be lifted once laboratory testing shows negative results for any biological contamination within a 48 hour period.

For more information and updates, visit www.winterspringsfl.org or call Winter Springs Utilities customer service at 407-327-1800 or after-hours service at 407-327-2669.

Thank you for your understanding and cooperation during this time. Safety remains our utmost priority.
