Precautionary boil water notice issued for portion of Moss Road near Garden Drive

WINTER SPRINGS, Fla.— Residents in the area of Moss Road near Garden Drive are advised of a water outage and precautionary boil water notice due to a water main break in the area.

On Friday August 18, around 11:00 a.m. the City of Winter Springs Utilities was informed of a water main break in the area of Moss Road and Garden Drive.

Utilities crews are in the process of fixing the break and restoring service to the area.

Due to the break a precautionary boil water notice has been issued to 73 homes in the area

Addresses impacted by this boil water notice are:

50 South Moss Road

100-133 Kristi Ann Court

101-191 Garden Drive

Residents should follow these precautions until further notice:

1. Boil water intended for consumption: It is recommended to bring water to a rolling boil for at least one minute before using it for drinking, cooking, making ice, brushing teeth, or any other activity that involves consuming water.
2. Use boiled or bottled water: Please use boiled water or commercially bottled water for all food preparation, including washing fruits and vegetables, and making beverages such as coffee and tea.

The notice will be lifted once laboratory testing shows negative results for any biological contamination within a 48 hour period.

For more information and updates, visit www.winterspringsfl.org/boilwaternotice or Winter Springs Utilities at 407-327-1800 or after-hours service at 407-327-2669.
