Precautionary boil water notice issued for Seasons Court and surrounding area

WINTER SPRINGS, Fla.— Residents in the area of Seasons Court and Dolphin Road area are advised of precautionary boil water notice for the surrounding area.

On September 9, 2023 around 2:30 p.m. the City of Winter Springs was informed of a water main break in the area of Dolphin Road near Seasons Court.

City of Winter Springs Utilities Crews were able to fix the water line and restore service to the area.

Due to the break, a precautionary boil water notice has been issued 179 homes until further notice.

Addresses impacted by this boil water notice are:

101-118 Sundance Court

500-526 Seasons Court

200-242 Panorama Drive

400-434 Horizon Drive

402-497 Lancers Drive

301-361 Riunite Circle

302-370 Cello Circle

300-315 Winter Green Drive

Residents should follow these precautions until further notice:

1. Boil water intended for consumption: It is recommended to bring water to a rolling boil for at least one minute before using it for drinking, cooking, making ice, brushing teeth, or any other activity that involves consuming water.
2. Use boiled or bottled water: Please use boiled water or commercially bottled water for all food preparation, including washing fruits and vegetables, and making beverages such as coffee and tea.

The notice will be lifted once laboratory testing shows negative results for any biological contamination within a 48 hour period.
